### Oak Hill Gallery Launches Playful 'Scape' Exhibition

Oak Hill Gallery is excited to launch their exhibition, "Scapes" this November, offering a creative and playful exploration of art and language. The exhibition reimagines the concept of "scapes" in various forms — ranging from serene *seascapes*, expansive *landscapes* and *cityscapes* to imaginative *escapes* and thought-provoking ideas of a *scapegoat*.

Curator Annette Burton explains, "We want to challenge artists to think beyond traditional interpretations, leading to a collection that's both visually stunning and intellectually engaging. Let's just have some fun".

Running until the 28th of November, the exhibition features a variety of mediums, each offering a unique take on the "scape" theme.
